

Double the Usual Number of "S. & H. Green Trading Stamps Tomorrow."

SIEGEL COOPER & CO.

Double Trading Stamp Day Again To-Morrow

AND that means that thousands of shoppers will flock into The Big Store. Thousands are eagerly collecting "Sperry & Hutchinson" Green Trading Stamps, the rapid approach of the Holidays naturally intensifying the interest.

As we said last week, The Store is daily taking on a more Holiday-like brilliance. The new Christmas stocks are pouring into all parts of the Store, mingling with the regular all-the-year-around merchandise.

- 1.—The Store's service is abler than ever.
- 2.—Our Mail Order Bureau is as completely equipped as if it were a store by itself. Mail Orders from everywhere receive promptest attention.
- 3.—People purchasing Christmas presents may have them held here pending orders for delivery. We refer to such lines particularly as Pianos, Furniture, Musical Instruments, China, Glassware, Jewelry, Watches, Furs and other things, usually purchased much in advance for Christmas presents.

THE SIEGEL COOPER STORE, AS DURING PREVIOUS YEARS, WILL BE NEW YORK'S GREATEST HOLIDAY HEADQUARTERS.

FOR 12 RECORDS every week for 52 weeks you pay **20.00**

FOR 12 RECORDS every week for 26 weeks you pay **12.00**

FOR 6 RECORDS every week for 52 weeks you pay **12.00**

FOR 6 RECORDS every week for 26 weeks you pay **7.00**

As soon as you join the Library, and the plan is much like that of a regular Book Library, you begin to receive the Records.

Payments are made in advance. You come for the Records, and at the expiration of your week you return them and obtain another set, continuing as long as you retain your membership.

The Records remain our property. You simply have their use for a trifling consideration. It is the cheapest form of obtaining the use of the Victor Records ever devised, and the results are absolutely satisfactory to you.

The Records are all new, having been made for the Library.

This applies to the Records in course of preparation for the complete term of membership. Every Record played for you, if you so desire, before you take it away. No imperfect Records.

The Records are placed in a neat box and as handily carried as a book. If these conditions are not perfectly clear to you, write us for further information. Or, better still, come direct to the Victor Talking Machine Studio, where experts will make clear as sunshine every detail.
